**Supplemental Educational Service Providers
Annual Report
PI-9550-SES**

Instructions

Referring School Enter the name of each public school and district for which you provided supplemental educational services to one or more students.

Number of Students Applying for Services Enter the *total* number of students from each referring school that applied to receive supplemental educational services from your agency.

Number of Applicants Receiving Full Services Enter the total number of students from each referring school that were accepted into your program and completed all services recommended.

Number of Applicants Receiving Partial Services Enter the total number of students from each referring school that were accepted into your program, who for any reason did not participate in all recommended services.

Number of Applicants Receiving No Services Enter the total number of students from each referring school that were not accepted into your program.

Number of Students Making Academic Progress Enter the total number of students from each referring school who received *full services* and successfully demonstrated academic progress.

Methods to Document Academic Progress List the assessment methods used to determine the academic progress of students.

If you did not serve students you must complete Section I, General Information and Section II, Signature. In Section III, Student Information, write "No Students Served". Failure to return this report will result in your agency being removed from Wisconsin's approved supplemental education services provider list.

For further assistance, contact Mary Kleusch at (608) 261-6324.
